

The first and second meetings (2008) of the Sai Kung District Council (SKDC) Traffic and Transport Committee (TTC) were held on 15 January and 21 February 2008. The major issues discussed at the meeting are summarized as follows:

\*Election of The Chairman and Vice-chairman of TTC\*

2. Mr. HIEW Moo-siew and Mr. CHAN Kwok-kai assumed the Chairman and Vice-chairman of TTC respectively.

\*Dualling of Hiram's Highway between Clear Water Bay Road and Marina Cove and Improvement to Local Access to Ho Chung (i.e. Stage 1 GSS)\*

3. The Highways Department (HD) reported the progress of the aforesaid works and sought views of the project. The project was targeted at improving traffic situation along Hiram's Highway between Clear Water Bay Road and Marina Cove as well as the traffic at Ho Chung area.

4. Members made comments on the aforesaid works and proposed to replace the pedestrian crossing between Ho Chung and Marina Cove with a footbridge. Members also suggested that full consultation with local residents was essential prior to HD's confirmation of the aforesaid project.

\*Hiram's Highway\*\* Improvement Works (Phase II)\*\* \*\* \*

5. The HD introduced the purpose and area for studies and investigations of the aforesaid section road works. The details of public forum for Phase I on 23 February 2008 were introduced to the members.
